Supplementary Education and Tutoring

Complementing Your Child's Daily Work at School.  
[kentchristianschool.co.uk](http://kentchristianschool.co.uk) - Greenhithe, Kent

**Kent Christian School** was founded by a group of parents to provide supplementary tutoring to all peoples of all abilities in Kent. The school provides teaching for **Maths, English, Science, ICT, and other subjects** to pupils aged **10 to 19 years**. The school compliments the pupils' day school by ensuring that the subjects are delivered in line with the National Curriculum.

## ABOUT US

We aim to **compliment the essential work** of a pupil's day's school by **helping students with difficulties** or those who want to achieve higher.

## OUR AIM

## ASSESSMENT TEST

On the first session the pupil will sit an assessment test. Based on the results of the assessment, a pupil's individual education plan will be developed that will focus on key areas. The 2-hour-session can be dedicated for one subject (e.g. Maths) or can be split between two subjects (e.g. Maths & English).

The fees range from £10 - £15 per hour

*"Kent Christian School is not conventional in its approach, as it places the emphasis on individual learning and class room teaching, and so, much is done in the way of recognition and motivation of the individual student."*

## OUR CONTACT

An interview will be arranged and this will allow you to have the opportunity to see the School and ask more questions.

## ENROLLMENT INTERVIEW

**Please note** you cannot enrol until you have attended an interview. At the interview, it is possible to enrol at the Kent Christian School assuming there is availability.

Parents and students must accept the school's Conduct and Discipline policies as outlined in the relevant section of our Prospectus and as enlarged upon by the Principal during the Admission interview.

## GCSEs

Based on teacher's reports & SATs results, students will be directed to study for either Foundation, Intermediate or the Higher Tier GCSE examinations.

Techniques, preparation, practice and familiarity in style of question are the ingredients to achieve successful grades.

## SATs

These are tests that pupils sit at the end of Key Stage 1, 2 & 3 and are used as a measure of a pupil's progress at school.

By focussing on key areas, we have successfully helped improve student's SATs results and subsequently increased their confidence.

## 11+ Examinations

We can help you and your child prepare for the 11+ Grammar School entrance examinations.

## GCSE examinations

normally taken in Year 11 however exceptional students may take English and Mathematics early.

## SATs

(Standard Assessment Tests)

## 11+ Exams
